On our cover: With the theme this year of Building Community, it seemed fitting to take a photograph of the school from above. The completion of the boys' residence has given us a space that we can truly be proud of. As the physical property expands so too does the sense of community within. This year's yearbook reflects the many ways that we work, learn and play, united together to build our community.

# Community

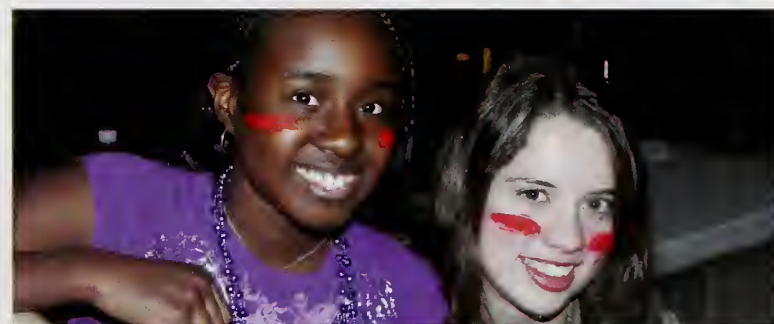

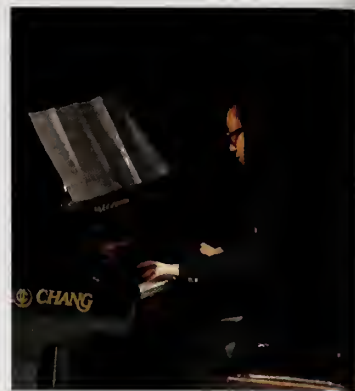

# Service

This has been another great year of enthusiastic student volunteering with events and initiatives both at Ashbury and in the greater Ottawa community. Ashbury students have supported Best Buddies, the Ottawa Riverkeeper team, the Christmas Hamper Program, and Canadian Blood Services among numerous other programs and charities. Throughout the year, our volunteers could be found donating their time, and raising money and awareness through student-led events such as 24 Hour Wake, Relay for Life, and 30 Hour Famine. The annual Ashbury Community Service Fair held in Maclaren Hall was once again a great success. Many volunteer agencies were hosted, filling Ashbury with the spirit of giving and sparking in students an eagerness to volunteer.

Mr. Tam Matthews

There is no one author of the 2009-2010 Ashburian, rather it is 670 students, 70 teachers and 45 administrative and support staff who created the stories, as revealed in these colourful pages. The yearbook leaders Patrick Norton and SangHa Park under the helpful guidance of Mrs. Rust, Ms. Doleman and Ms. Wright have captured the intensity of friendship, spirit and activity that define the Ashbury experience. Ashbury is a school of purpose and passion and this was a successful year by all counts.

In the next pages you will see the faces of a very professional and dedicated staff who worked every day and many weekends to share their teaching, passion and skills for the betterment of the students and the school. I believe every student can identify at least one great teacher or staff member who really cared, listened and inspired them. We enjoy a close familiarity in our small school where a friendly smile, a personal acknowledgement or a splash of humour can brighten our day.

The school year started on a positive note in September with the opening of the new boys' residence for fifty boarders and the Kaye and Lamont families, Mr. Gray and Mr. Pulham. Our 100 boarders from Canada and around the world enrich the learning environment for all of us and keep the campus active 24/7. In addition to the surge in boarding spirit, the leadership from Colin LaRoche and the prefect team, Justin Ng and the Student Council, and all the grad class were evident at Chill Day, Camp Otterdale and our opening assembly. This year, the graduates and Junior School House Captains were determined to show "the spirit was back" and the level of activity and the new "Colt" mascot confirmed their goal was achieved. There was record attendance at Homecoming, school dances, Monte Carlo Night, dodgeball, house competitions, International Day food booths, as well as in the Art Show, Musicfest, Science Willing Listener, academic competitions and in the Junior School LEEDES program. Ashbury support for the United Way and the Ottawa Race Weekend for cancer research achieved new levels. Students organized a Wake for AIDS, a 24-hour Relay for Life, and a 30-hour Famine. These activities combined with our Round Square and international trips and remarkable sports success with national championships in soccer and rugby, and OFSAA basketball (gold), skiing, and hockey made for a memorable year.

This year, two long-serving and highly respected teachers, Mr. Pelletier, 29 years, and Mrs. Duschinsky, 13 years, are retiring. Mr. Pelletier's passion for French literature, movies, music (coffee houses) and Student Council was driven by his utmost respect for the student voices and their unique talents. Mrs. Duschinsky was an outstanding world history teacher and champion of the Model UN program, reflecting her diverse international schools teaching experience. Two Ashbury and Ottawa community builders passed away this year, Pat Gillin (Heather Gillin Residence) and Don Maclaren '39 (Maclaren Hall). Our school is stronger for the teaching, generosity and leadership of these four individuals.

Finally, this 2009-2010 school year was punctuated by the excitement of the Vancouver 2010 Olympics and Canada's record gold medal achievements and the sudden tragedy of the Haiti earthquake. From Alexandre Bilodeau's gold medal to Jenny Rochette's silver medal within days of the death of her mother, to the powerful words of Michaelle Jean and the people of Haiti, we can all learn so much from the experience of others. In the context of these two events and our school we can reflect on the meaning of our school motto: Probitas, Virtus, Comitas -- Honesty Courage and Kindness.

# Assistant Headmasters

Dear Students and Faculty: In 2010, our major academic project is to redefine the Ashbury Diploma, which was created in the 1980s. Through discussions with students, faculty, parents, alumni, Board members, and the Leadership Team, the new Ashbury Diploma is being redefined and will be unveiled this fall. The purpose of an Ashbury Diploma is to ensure that our students acquire the skills, knowledge, attitudes, and experiences that will propel them towards a brighter future. This new Diploma will therefore not solely consist of extra course requirements in addition to those required for the Ontario Secondary School Diploma. One of the sources of ideas for this project was Harvard professor Tony Wagner's recent book, *The Global Achievement Gap*, where he lists the following skills that students will need to succeed in the twenty-first century world: critical thinking and problem-solving, collaboration across networks and leading by influence, agility and adaptability, initiative and entrepreneurialism, effective oral and written communication, accessing and analyzing information, and curiosity and imagination. Ashbury hosted a TedX Youth event this year and alumnus Mark Ouseley's (class of '06) presentation on fresh new ways and attitudes to re-use waste served as an excellent example of the skills for the 21st century learner. Seeing Mark's presentation makes us very proud. This presentation can be viewed on YouTube at the following address: <http://www.youtube.com/watch?v=WK1bf4KbER4>

Mr. M. Mousseau

Mr. P. Ostrom

Your Daily Life Committee continues to support student initiative and leadership. Supported by Housemasters Taylor, Smith, Marshall and Mitra, with student members Lisa Geerts and Myriam Choma, the DL team ensures that students' interests are being heard in the running of the school. New to this year is a student survey, constructed by a partnership of the Student Council and Daily Life committees, that complements the Town Halls and other forms of student voice. A summary of the survey will be reported back early in the next school year. Next year, while I am on a leave of absence, Mr. Putt will lead the Daily Life team. We welcome Ms. Wright as the new Housemaster of New House. Ms. Marshall leaves after 6 years of success and being able to claim the Wilson Shield so many times. We wish her the best as she takes on more responsibilities with Round Square. A challenge for the next few years is to ensure that formal and informal student leadership opportunities at the school are clearly understood. Positions of Responsibility have allowed students to take ownership. Curious to Ashbury is a separate Student Council and Prefect system. It is often asked, by students, staff and parents, what is the difference between the two? Is it possible to combine these systems to develop a cohesive student leadership program that combines the best of an appointed and elected system? Let us know your thoughts.

Ashbury College is blessed with a beautiful natural setting; classic buildings; and state-of-the-art classrooms, but it is really the professionalism of the teachers and staff and the open attitude of the students and their families that make our school so special. Frequently, when people see my enthusiasm and pride in being an Assistant Headmaster of Ashbury College, I am asked what makes Ashbury so exceptional. My answer is quite simple people. The people who are at Ashbury provide a wonderful place where youth and experience come together for a singular purpose of learning about the world around us and our place in it. The 2009/2010 academic year has been an exceptional one for Ashbury College. Academic achievements, school spirit, athletic results and community service continue to remain central to the Ashbury College experience. Cooperation between teachers, staff, students and parents demonstrate this day in and day out. I am so proud to not only work at Ashbury College but to also be an Ashbury parent.

# School Captain Colin LaRoche

According to Wikipedia I am Ashbury's 101st school captain. Of course, given that this is Wikipedia we are talking about, I could be anywhere from the 80th to the 140th. I might not even be school captain, which, I assure you, would come as a shock to me for several reasons:

1. Nobody stopped me from getting up on stage and speaking.
2. People tended to clap once I stopped speaking. Take from this what you will.
3. I seemed to have a lot of meetings with the Prefects.

It's these meetings I want to talk about. Sometimes they were short, sometimes they were long, but they happened quite a bit. Sometimes they were about relatively routine things like selling Connabuns, Lebanese cheese pies, Subway and Pad Thai. Other times they were about more ambitious things; working with Advancement and SC to get a Mascot, quickly raising over \$6500 for Earthquake relief before the government's fund-matching program stopped, or asking serious questions about the future of student government at Ashbury. These meetings didn't just take place in the air-conditioned, pleasantly decorated room at the back of the library either. They took place at 4:00 am on soggy fields, during four-second conversations yelled across hallways and on cell phones and instant messages exchanged at hours of the night when no reasonable person would be thinking about musical chairs or Christmas trees.

The point is that at every single one of these meetings I was surprised by the fifteen prefects I worked beside. Their ingenuity, their ability to work under pressure and above all the lengths to which they will go to serve their peers and their school never ceased to amaze me. And I'm not a man easily amazed. Challenges, obstacles, setbacks and even failures happened to us as they would to anyone else. These were overcome through intellect and adaptability, or occasionally, stubbornness. But above all they were overcome through hard work and a growing understanding of what responsibility really is.

And that is something you won't find on Wikipedia.

To this year's council... it has been a pleasure to work with such an amazing group. From the early mornings of Crêpefest, to the craziness of the dances and New Student Chill Day, to the witty dialogue of Town Hall, you've always been there for the school, offering your support and tremendous insight to every situation. Your enthusiasm and your commitment made things happen. It has been fun.

I can no other answer make, but, thanks, and thanks.  
~William Shakespeare

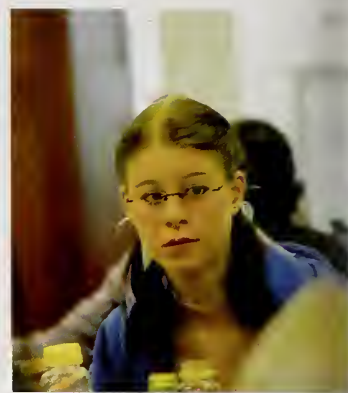

M. Pelletier, you truly were an inspiration and a joy to work with this year. Thank you to all the teachers and staff who have put up with our shenanigans and offered your support in every way that you could, even if it was something as simple as providing a table for hot chocolate. Without your help, no events would have been possible.

The heart of a school is its student body, giving it its personality, its identity. I am honoured to be part of an awesome student body. Thanks for allowing us to represent and work for you.

Good luck to next year's Student Council!  
To all... work hard; play harder.

It is impossible to capture eight years in 400 characters. So I won't try. All I will say is thank you; to my teachers, my friends, my family, and anyone and everyone who has had an impact on me as a person throughout my tenure at Ashbury. Eight years and a blink of an eye later, that chapter of my life is over. Who knows what the future holds? Ready or not, here I come.

Haley Abugov

This one goes out to you. You are the struggles and the rewards. You are the girls who make me laugh and let me smile and the guys who always provide humour and never drama. You are my teachers where "thank you" does not suffice, SG this especially applies to you. You are my family, Dad, Mom, Zach and Quinn, who've stuck beside me way beyond high school. So whoever you are, this one is for you, may our memories be forever and always and may we be forever young.

Alex Achtemichuk

What is there left to say about the last six years? Through the good days and the bad ones, I wouldn't change a thing. From my first days in the junior school to my last in boarding it was a great ride. Everlasting memories on the pitch, CAIS conquerors and city champs. In 20 years I may not remember anything from the classrooms, but what I learnt outside of them will last with me forever.

Hamza Ait Mohamed

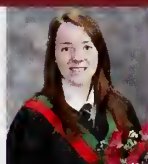

As I add another chapter to my life, I look back at my time here at Ashbury and realize how much I have grown. Thanks to my friends who have made the Ashbury experience unforgettable. To my parents, my brother and my sister, I thank you all. You have always supported me and I am grateful for that. Thanks to my coach and teachers who believed in me. My journey has only started.

Kathleen Allen

From lone star, to long walks, and just watching; these past four years have been amazing. I couldn't have asked for more. Thanks to my murtie for putting up with me, my teachers for understanding. To my friends- thank you, you guys mean everything to me, and Ben- Put your morning face on.

Amir Alsaff

It took four years to find a way, To hide the top button day after day, Now the tie is looser and one may see, The lack of decorum that there may be, The freedom to breathe comes with responsibility, To expose and convey what's become of me: After four years I cannot include All I recall, and do justice to all My indecision is final, I must conclude The good things were good, the bad things were bad, That about sums up the time I had. Thanks Mom, Dad, Omar, Nael, Sabrina. I love you

My nine years (yes, nine whole years) at Ashbury cannot be summed up into this little box. Thanks to everyone who has been around, the ups and downs and everything in between. All my therapists, you know who you are, thanks for listening free of charge. From grade four snowball fights (which technically we weren't allowed to do) to sneaking out my bedroom window at 3am (likewise), I've always had my friends who have stuck by me and I cannot thank them enough.

I pressed through the puzzle, and what was I to be? A piece of peace, a higher being, or am I simply me? Words cannot express what I shall soon become, for I will comprehend everything and everyone. I am watching you. Listening, subtlety, doing; more devotion, more aggression; talent, honour, confidence. Don't listen to me, I was just passing through. You might have thought you knew but 'twas I that knew you. So here's a clue: there's nothing you can do. Relax, enjoy.

It seems as though it's been a long time since first coming to Ashbury, and it has been a long time. From grade 7 through 12, I have a lot of good memories at Ashbury, but the memories that will last forever aren't memories of the school, but memories with the people I met here. So to all my friends, thanks for the good times, and to Ashbury the only thing I can think of to say is: "So long and thanks for all the fish." - Douglas Adams

For the 2 years in Ashbury, it was a brand new experience for me; I have learnt a lot of great things that make me a better person. I would love to thank to my parents, to all my closest friends and to every teachers at Ashbury that makes my high school life more colorful. All of the moments in this school will be the warmest memories that will never be forgotten in my life.

Just howling in the shadow  
Under the light of that moon  
Someone with the same heart  
I am looking for our future  
The stars in the night sky are my tears  
Tomorrow, surely, will be  
enveloped in light  
Even if I should see you again,  
I'll be lonely  
It's from the gap between  
entangled hearts  
I am living for myself now  
Let me feel a timeless dream  
Hold me in this awakening  
I will be discovering

Grade 11 & 12 in boarding has been an amazing experience, filled with change and new experiences like the old residence, new residence, and getting used to Sodexo food. I am also extremely grateful to have had the opportunity as a boarder to experience "International Understanding". On a more serious note however, I am grateful to have had the support of my teachers, residential dons, and friends and parents throughout my time here.

Daniel Crolla

My time at Ashbury has been an incredible experience for me. Sports, parties, house events, school trips, and everything else. I have no clue where I'd be if I was not at Ashbury. All I know is Ashbury was best for me. I would like to thank my family, for supporting me over all these hectic years. W, stay out of my room and try not to be a pest. G, you are the eldest now, it is all on you. Boys, keep it wild. Ladies, thanks for the good times. Danger Dan out.

Para mis papas q me han dado todo, con mas amor y apoyo de lo q eh pedido TQM. For the best bros I could ever ask for. So far away Dudi yet always been here for me. Thanks for being my guard Quito, you'll always make me laugh. For the littlest but somehow tallest, Ily andy pandy. TS/sharmuts you taught me what true friendship is. Random nights/cruise 08/What happens at BH, stays at BH. Myster, the forearms always kept us laughing, s&g. The gfs that have kept it sassy & for the one boy that has changed my life, thanks guerito for making it special. I wanna b forever young.

Thanks so much to all the teachers for working me well into the night; now that it's the end it finally seems worth it. Thanks to the fam; Dad, Mom, Rob, Mads, Char and Millie (I guess), you guys have been incredibly supportive. And for those I couldn't live without, and the incredible friends I've met here at Ash, you girls and guys are amazing. Keep up the wild nights and stay in touch. One more piece of advice: wear sunscreen.

An Duong

Thanks to everyone who was there you know who you are. To you who took the time to judge people with me, to the other one (I'm thinking of something) and even the one who took 20 minutes to put pants on, it's been memorable and without you, the dinners, Friday nights, inside jokes, salt, concerts, curfews, and chats just wouldn't have been the same. And finally to YOU 17 years! ur the best

It's 2am.I'm feeling ALIVE! If this had occurred years ago, the outcome wouldn't be as satiating. Thank you Ashbury: for allowing me to fight the dominion of sleep. That's all? 4 years: amazing friends (I question the accuracy of that statement, joke), amazing teachers, amazing parents, nominated for Mother Teresa: twice (Ashbury, I'm no mother), have encountered confidence (Note: the statement is dubious) Nope, I'm not forgetting a thing! But, while I'm at it, Thank you!

These past two years have been incredible/amazing/crazy! Thanks to my teachers & my family for all the wisdom and support. To all the boys and girls who have made these years a blast, i love you and thanks for everything you know who you are. Too many basements, purple headbands, endless nights, non-stop laughter, midnight swims & partying on a Wednesday: it has been surreal. No regrets. Wow, it's been a crazy four years (it had its moments). The lovely musical madness, the 'chamber' choir (what the hammer?), our awesome tag, getting lost (twice) in gym, the random moments of breaking into Disney songs (and harmonizing!). Those were some good times. To my girls, you made this place worthwhile. "A witty saying proves nothing." - Voltaire

These have been three fast and epic years. Thanks to all of the people who made my life in Ashbury even better. I'm not going to mention names because you all know how much I love you guys. Boarding was quite the experience, I wish everyone well in the years to come. Special thanks to my parents for being supportive and caring for past six years of experience in Canada.

Thanks boys for an awesome time here at Ashbury, I really enjoyed the last two years.

Carl Heinrich

Six years is quite a while in one place. A fantastic six years, but looking back, these last two stand out for the better. Tough? Sure. Worth it? I guess I'll have to wait and see. So, a toast to the best two years of my life, and to all my friends, you are the best. Prost!

"Through the use of DT's, co-curricular activities, and TAG, the central character undergoes a long and arduous journey to reach graduation." With the amount of things I want to say, I wish I could write an essay. In the body, I'd thank my friends, family, teachers, and Kathleen. To conclude, I'd state how much this school has taught me and how much fun I've had. Then, I'd give a final piece of insight - "Students of this great school: enjoy every moment of your time here."

It's hard to imagine that I've spent more than half my life at Ashbury. These past 9 years have changed me immensely and my experiences here will stay with me forever: in junior school, the trips to Mexico and St. Donat and in senior school, the friends, the teachers and much more. I have so much to be grateful for and am much indebted to those who have made the journey so memorable. To my family, my teachers, and my friends: a truly heartfelt thank you.

Shaista Janmohamed

Ashbury was one of the most amazing schools I have attended; it made me grow strong, independent and confident. I'm going to miss this place and all the friends that I made during my two years here at Ashbury. Being a boarder was an outstanding experience and it has left me with memories I will cherish for all time.

Simon Kadota

I cannot believe that I am now writing this. As a lifer, I am not able to summarize my time at Ashbury in such a limited space. Thanks to all my friends, family, teachers and the staff at Ashbury who supported me throughout these nine years.

Raman Kalaichandran

3 Life changing years; Boarding was amazing. Glad I've made mistakes, they've helped me mature. Thank you to: Teachers and Parents who've helped along the way, my own parents and siblings, Dylan and his mom, The Blackstock and Mierins families for their support, Mr. Pulham, and to SB,HL,PB,MS,DH,BKC, and the rest of my boarding fam, graduating or not. Thanks to SDLM for keeping me in, and CM for keeping me together. Good luck to my protégés; Carpe Diem and Rats eat Gats

It has been 4 great years. The  
homework, tests & exams weren't  
so great but soon enough ill  
forget. House skits, airbands,  
house competitions & fun events  
will always be in my memory.  
People always asked me about  
boarding & how bad it must be,  
but honestly I was luckier than  
them because I got to live with the  
best people & have experiences  
far more interesting than I  
would've with parents & siblings.  
I'll miss Ashbury & thanks

## Sarah Park

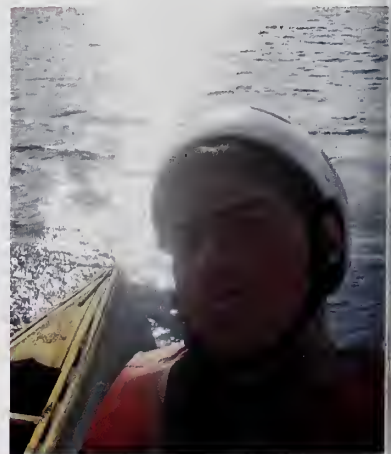

These 4 years at Ashbury were a great experience for me. Thank you so much to all the teachers and grade 12s who supported me. I will miss you all!

## William Pigeon

To all those of Ashbury, thanks for the ride.  
 To the Nom boys, I'm gonna to samp that than I'm gonna wax that. SAMPLE CAMP!  
 For all the math I have done  
 $\text{Graph in Radians } -1.5\cos(X)+2.5, 4\pi^{\circ} \leq X \leq 3\pi^{\circ}$ , whole numbers of Y, X & Y are elements of Z  
 From fun, hockey, luck, yoyos, to, understanding. Ashbury's aspects inhibit cumbersome youth, friendly youth only.  
 I guess I have to thank people so RH, JN, & PB...thanks.

ope Pooopponen

Yes, I made a high  
Coup for my write-  
up last night  
I am forgetful.

9 years at Ashbury and can still  
remember the first day of 4B.  
Couldn't have made it without  
the fam, friend's, teachers and  
coaches. From the good  
memories in the junior school, to  
four years of football I'll never  
forget. To the boys, lifers, black  
blankets, 13, TH crew, and  
everyone who were a part OF  
making my high school  
experience worthwhile, thank  
you. Im outta here.

The day has finally come to bid  
farewell to Ashbury. From the  
good to the less good, the past  
four years spent here have  
certainly marked my life and  
person. From entering the  
school in ninth grade to my  
exeunt in the twelfth I have  
made some great friendships,  
learned many things and  
conquered the beast that is the  
full IB diploma. To my friends, I  
thank you for the good times, be  
they at school or out, and the  
support and camaraderie  
through trying academic times.  
Good luck everyone!

Four years of lasting memories & unstoppable laughter. Thanks to the teachers & coaches who have made this experience worthwhile. To the girls- i'll be dancing in the moonlight. to the boys- for being boys. To the fam, thanks for all your support, iluvou. To the memories: chuckEcheese/wildlife fusion/cruise08/unBELIZEable /DR & LOTS more. Can't wait for what the future will bring, but i wanna be forever young. Kbye see you.

This ride is fast, it can be rough and tough, embrace the bumps along the way, because it's nothing without them. Stay close to what means something, leave the rest up to fate. It seems as though I walked into 7B on my first day just a few weeks ago, but so much has happened since then. I'd like to say a huge thank you to all of my teachers & coaches who have put up with me over the years and who helped me become who I am today. I'd also like to say thank you to my family & friends; without all of you I'd be nothing. When I look back on these past four years of boarding, it's the great friends I made along the way who I'll remember most. Thanks KA for being there since Grade 9. FL, LH the triumvirate will live on. DD, AS- fue una placer! MC I appreciated the transient escapism. RL you've given me some of the best laughs. MA you're a true gentleman and friend. LR you've given me more than I've ever known. You're all noble people, this won't be goodbye. Thanks Ashbury.

According to the league schedule, the 2009 Ashbury football season started on September 16th. Ask anybody on the team and you'll know the season is 12 months long. From sneaking in the weight room during the summer to practicing in the November cold, hungry for victory we never stopped. From the shutout in front of a homecoming crowd to the one point deficit on our last play of Ashbury football, hungry for victory we never stopped. We could be called the cardiac kids when the distance between bitter heartbreak and relieved exaltation is measured in inches.

Thank you coaches we owe our Character to you, thank you boys for your Commitment, through this Achievement we found Victory.

Ashbury Sr. Football 2009. 5 wins. 3 losses. NCSSAA Semi-finalists.  
 Amir Alsaffar Team Captain.

# Junior Boys' Football

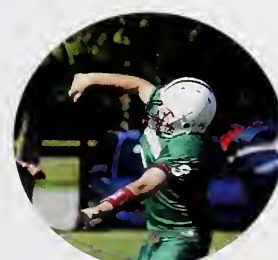

Row (left to right): Jack LaMorre, Julian de Montigny Grego, Daniel Weinstein, Arthur Pidgeon, Tan Ho, Keith Hoddinott  
 Second row: Nick Texiera, Tommy Denison, Spencer Coyne, Drax Lindgren, Adam LaMorre, Parizeau, James Garel-Jones, Alec Hollister-de Melo, Adam Guarisco, Callum McLeay, or Haebe  
 Third row: Christian St. Louis, Kevin Vuckovic, Connor Campbell, Liam Timmins, Jonathan Pirell, Irving Casabon-Sosa, Markus Sinnuber, John Martin, Fraser Hill, Jessie Desjardins  
 Fourth row: Kyle O'Hara, Carson Fung, Ethan Oak, Johannes Sinnuber, Alex Carr, Terrell Hahn, Kai Maclean-Hoedeman, Mitchell MacDonald, Brandon Sardelis, Mattias Lightstone, Ostaszewski  
 Fifth row: Coaches: Lee Greenberg, Andres Beltran, Jon Landon, Andy Moore

This season the Ashbury Junior Colts lead by captains Tan Ho, Keith Hoddinott, Arthur Pidgeon, Tim Campanale, Jack LaMorre, Daniel Weinstein and Julian Grego finished the regular season with an undefeated record of 8 wins and 0 losses. This record allowed the Junior Team to finish 1st in the ARESO cadet division. Unfortunately, due to the move to the new league we were unable to take part in the league's playoff rounds.

This edition of the Junior Football team was comprised of a dynamic offense group complemented by a tough hard hitting defense. The team which was made up of player's grade 8 and 9 age was led by a solid group of captains and all the players showed great commitment and dedication throughout the season. The players should be commended for their efforts and for continuing the great tradition of Junior Football at Ashbury.

# Senior Girls' Basketball

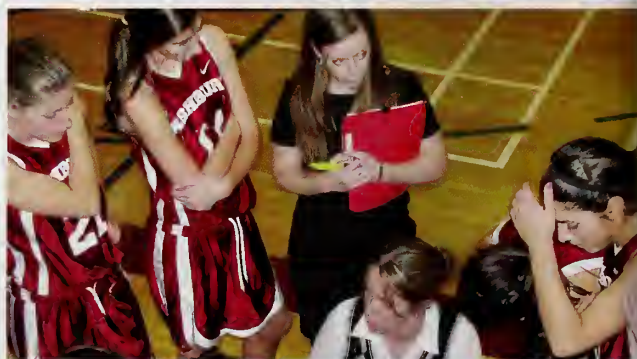

From left to right:

Back Row: Coach Julie, Tamara Saikaley, Rachel Weinstien, Chelsea Tannis, Elizabeth Amyot, Coach Shannon, Coach Street.

Front Row: Rachael Murray, Jimena Duarte, Illesha St. Helene-Uko, Maggie Murray, Celyna Arnold.

This year the Senior Girls Basketball team was comprised of a very young group of players, with only three returning players from last season. Despite this, the team worked hard all season, participating in the Diffin tournament and St. Matt's tournament. The team had a hard fought loss against Elmwood during the Tier 1 city finals game. Although we didn't make it to OFSAA this season, we had so many great experiences all season long with lots of laughter and fun as well as focus and growing as a team. A huge thank you, of course, to our coaches, Coach Julie, Coach Shen and Coach Street. Thank you so much for giving us your time in trying to settle us down when we were crazy and making us into a real team who fought till the end. Good luck to the team next year, we'll never forget this season! Thank you so much for everything.

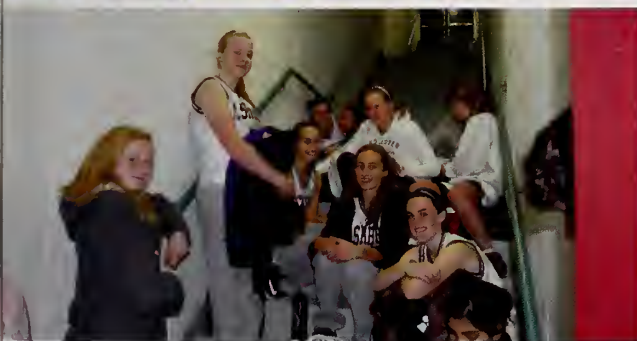

# Junior Girls' Basketball

From left to right:

Back Row: Coach Gray, Catherine Bobiash, Katrine Lightstone, Suzanne Geerts, Samantha Buchanan, Sonya Ardley, Ruth-Ann Arnett, Myriam Jebali.

Front Row: Quincy Batson, Charlotte Connolly, Victoria McIntyre, Elizabeth Sangster, Emily Montgomery, Coach Gomme.

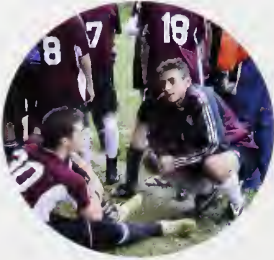

The Junior Girls Basketball team moved up to the Tier 1 level this year so there were many challenging and exciting games. The team earned a very respectable 7-9 record and of the 9 losses, only 2 games resulted in more than a 10 point differential. The team was very competitive throughout the entire season. They participated in tournaments in Ottawa and Quebec City. It was the Quebec trip that proved how tough this team is on the court. All of the games were very physical. As well, the team had to adjust to many new rules including a 24 second shot clock. It was a fun experience for everyone. The team was lead by the two captains Charlotte Connolly and Sonya Ardley as well as veterans Ruth Arnett, Quincy Batson, Catherine Bobiash and Katrine Lightstone. Grade 10 Myriam Jebali was joined by other rookies Sam Buchanan, Suzanne Geerts, Tori McIntyre, Emily Montgomery and Elizabeth Sangster. The team represented the school with pride and determination. The players have a great future in this sport and they should be proud of their efforts this season.

# Senior Boys' Soccer

Front row (from left to right): Yanis Ait Mohamed, Ryland Coyne, Shimpei Kawaguchi, Justin Arya, Norbey Putt-Ryan, Zachary Legault, Moritz von Vramm, Sabel Poon

Back row: Coach Taylor, Damilola Atobiloye, Scott Murphy, Owen Melanson, Andrew Mansfield, Alex Crupi, Cameron Davis, Steven Koutsomitopoulos, Brent McKean, Diego Noval Gonzalez, Alex Achtemichuk, Hamza Ait Mohamed, Coach McKirdy

The season got underway on a very positive note as we won four of our first five games including a satisfying victory over Louis Riel, 3-0 at home. On the Thanksgiving weekend a smaller, but highly motivated squad travelled to Vancouver, BC for the annual CAIS senior boys National Soccer Championships. We won two of three round robin games to qualify for the Gold Medal round. We won our quarterfinal handily, 4-0, against Country Day School (Toronto). The next morning saw us defeat Shawnigan Lake School. Goals from Brent and Cameron saw us through to the final against the defending champions from Upper Canada College. In a tight match we came through victorious, 2-1, with goals from J.P. and Cameron. It had been 27 years since Ashbury last won this prestigious championship and to do so with such a small team of 15 players was a momentous feat. Deservedly, Cameron was named tournament MVP and Steven was given the 'spirit award' for his sportsmanship throughout the tournament. Back in Ottawa we played three games in five days, and secured the Senior Boys A/AA Soccer (Tier 1) Championship and went on to win the gold medal in the "A" Championship Final with a comfortable 4-1 victory over Lycee Claudel. It had been a most memorable ten days of soccer a division title and two gold medals! Graduating players, Alex (captain), Steven, J.P., Scott, Sabel, Hamza, Shimpei, Zach (our stellar goalie), Justin and Moritz have contributed much to this team.

The Junior Soccer team had a hard fought, team oriented season this year. The team consisted of a strong starting line-up, and substitutes that were ready to step up whenever, and wherever they were needed. The Junior Colts came out of the regular season with a record of 5 wins and 2 losses. Their best effort came against St. Pius, in their third match of the season, where the Junior Colts avenged their loss in the finals a year before, with a 3-2 victory. The Junior Colts finished second in Ottawa's Central Division, and entered the preliminary round of the playoffs, where they played St. Matthews and were victorious with a 2-0. In the quarterfinals, the Junior Colts faced a strong All Saints School, and lost 1-0. Even with this disappointing ending, this season was a success and was great to follow. The players would like to thank Coach Uko and Coach Alcina for their effort and coaching skills, and wish the players moving on to Senior Soccer the best of luck. - Captains Christopher Hales and Jonah Nadler

This year's girl's Field Hockey team finished their regular season in the East division in second place, despite having only one goal scored against them. Their local rivals, Colonel By beat them 1-0 for the first time in 5 years. Strangely, Colonel By went on to lose to St. Peter's, who had previously been defeated by the Ashbury girls 5-0. With a strong squad of experienced grade 12 players they managed to defeat all other teams in this division soundly, scoring a total of 28 goals throughout the season. The only other team in the city to score more goals was John McRae with 33, who eventually beat the girls on turf in the semi finals. The team says goodbye to the core of Grade 12 grads which include Naomi Niznick, Julia E, Haley Abugov, Morgan O'Farrell, Sonja Moroz and newcomer goaltender Katie Grandis. A solid group of grade 10s hope to break the team's Semi Final curse next season. The girls would like to thank Miss Duggan, Ms Denison and Ms Powell for their encouragement and commitment this year.

Back Row: Maja Kunstelj, Bichun Wang, Nicola Froislie, Madeline Warren

The senior tennis team finished the league play tied with the best overall record in division 1. The team advanced three entries to the City Finals tournament where we won 2 titles. Athan and Saskia were mixed doubles champions and Konnor and Ben were boys doubles champions. Both teams have qualified for OFSAA and we finished the tournament in second place overall. Congratulations on a fine season and best of luck in the future to graduating players Vlad Stepanov, Ben Hovey, Caroline Mierins, Caroline Tong and Heather Dunlap.

The junior team finished the division 1 league play in second place and qualified five entries to the City Championship tournament. We won both the boys doubles and mixed doubles titles and placed second place overall in the city, helped by strong finishes in the other divisions. Congratulations on a fine season and we look forward to next year.

This year the Cross Country running team competed in 5 races, beginning their competitive season with the 3rd annual Alumni Run. The team continued to dominate the final standings in that race, 1st place overall going to Jack Solomon, edging out last year's first place finisher and now alumni, Tait Becke. The team competed in an additional 4 meets, with excellent results with our Junior girls team, and showing potential with the Midget and Senior girls teams early in the season. It is unfortunate that the flu took its toll on many runners during the competitive portion of the season. In the final city meet, we were unable to field a full team in any of the events. As coaches, we were pleased with the effort and team spirit of the runners this year. We look forward to building on the strengths and potential for next year.

# Senior Girls' Volleyball

The senior girls volleyball team had a very competitive league draw but finished strong. The team placed 2nd at the Colonel By Invitational Tournament and 5th at The Regiopolis Notre Dame Tournament in Kingston. The girls fought hard, improved tremendously throughout the season and is in great shape for next year. We will miss our graduating players Heather Dunlap, Julia E (C), Katie Grandis, Morgan O'Farrell (C), and Illesha St. Helene-Uko and wish them all the best.

The Senior boys' basketball team finished with a record of 9-1 in NCSSAA play and an overall record of 34-13. The team pulled one out in the "A" city finals, defeating Louis Riel 47-44, resulting in a trip to Sturgeon Falls to participate in the "A" OFSAA Championship. The team was improving every game and entered the provincial tournament firing on all cylinders. The top seeded Colts held teams to under 36 points a game during its 5-0 run to Ashbury's first ever OFSAA boys' title. Matt Mclean sank the back-end of two free throws with no time on the clock for a dramatic 34-33 semi-final win and clinching a trip to the finals where the Colts easily handled Ridley College 53-37. Ashbury became the sixth Ottawa high school to capture an Ontario intercollegiate basketball title and the first to do it at the "A" level. The program graduates three seniors - Tom Wiener, Matt Mclean and Zach Legault - and looks forward to the future with eight retuning players including two three-year veterans in Jean Pierre Charles and Tony Haddad.

A lot can change over the course of one year. Last season Ashbury failed to assemble a hockey team because of the lack of players, and just one year later - City Champions! This was a year of firsts for the Ashbury Hockey program, it was not the first time the program won the city championship, but it was, however, the first time the Ashbury Hockey team has travelled to OFSAA. The team had a large base of players who all played key roles in the team's success this season. Dressing four lines allowed Ashbury to have fresh legs so that they could dish out sauce for a full 45 minutes. One of the reasons for the team's great play was that they never played as individuals, but always as a close knit team. For such a short season and the limited opportunity for practices, all team members from grades 9-12 became brothers, who fought for each other and the big W all game and all season. Thanks to all those who participated on the much hyped up fan bus, your presence was appreciated, but more importantly thank you to coaches Moore and Pulham for making everything happen and your belief.

The alpine ski team had an amazing season thanks to the dedicated coaches and athletes. The team welcomes skiers of all levels and abilities ranging from beginners to experts. The Novice boys and girls were the overall champions of the National Capital Alpine Skiing Competition while the level 2 boys came in first at cities and level 2 girls came in second, both advancing on to OFSAA where they had lots of fun and many successes. Though the team is losing 15 athletes with the graduating class we hope to have just as much success and fun in our oncoming seasons. Team leadership was outstanding with captains Simon Hecker, William Pigott, Audrey McRobie and Silya Shenassa. We would like to give a special thanks to Mrs. Matthews and the Lamont's for their unwavering support and coaching throughout our season, we couldn't have done it without you (or those jubejubes!).

This year's edition of the Junior Boys Basketball team was lead by a solid group of returning players who were complemented by a very skilled group of grade 9's. Captains Patrick Rhodes and Ben Ashley demonstrated tremendous leadership throughout the season which was evident by their effort on court. The team finished the season with a 6 and 1 record and advanced to a semi-final match-up versus Sir Wifrid Laurier. Despite a tremendous effort the team came up just a little short in their bid to make it to the city championship final. This year's team had a very successful season, most notable making it to the championship game at the Queen's University Basketball Tournament. This team will be remembered for the hard work and dedication they demonstrated every time they stepped on the court.

The boys have had a season of highs and lows reaching both the CAIS finals and the city championship only to be ground down by bigger and more physical teams. However, the heart and determination they have shown was carried on to OFSAA, where they finished in fourth place. Both coaches thank the boys for their enduring efforts.

This year has been a huge success while at the same time challenging. The popularity of this sport is at an all time high with the biggest team ever of 51 players, making it tricky to manage the numbers and find the players enough games. I think we succeeded in this feat as we played 6 pre-season games, 4 locally and 2 away, one in Montreal and one in Trenton. Along with the pre-season games and 5 league games, we have had a total of 11 games where we are a perfect 11-0. Another statistic that was brought forward by one of the alumni coaches, is that we have lost 1 league game in 4 years quite an amazing record I think... The boys are headed into the playoff rounds where we hope to "three-peat" as this year's City Champions. The rugby tradition continues for next year as we have started planning next year's rugby tour during March Break that will take us to Argentina. Congratulations to the junior boys' rugby program for their accomplishments!

With only four grade 12 players this year, the Senior Girls' Rugby program has put in a tremendous amount of time and effort, and their dedication is paying off. The girls have captured a 10th gold medal at the CAIS Rugby tournament in 11 years and have gone yet another year undefeated in the City. The coaches would like to recognize all of the members of the rugby team for their unparalleled commitment. The girls finished in second place at OFSAA.

The 2010 Track and Field Team was 56 athletes strong. We had throwers, jumpers, sprinters, hurdlers, distance runners all competing at the East Conference and City Championship meets. Kyle O'Hara broke the city record for Midget boys 400m. The junior boys relay team (Freddy, Constantine, Matt T and Caleb), the senior girls relay team (Sonya, Maddie, Julia and Shannon) as well as individuals: Melissa Riding, Shannon Walton and Madeline Warren all competed at OFSAA Regionals in Belleville and Shannon and Maddie went on to compete at OFSAA in London. We are proud of every athlete and look forward to a fantastic outdoor season in 2011. Congratulations and thank you to our graduating athletes: Sofia Diaz, Olivia Froislie, Silya Shenassa, Reba Wilson and Alex Young – we will miss you next year!

The Varsity Girls' soccer team has had another very successful season. They finished with 3 wins, 2 ties and only 1 loss in the regular season, as well as making it to a shoot-out in the semi-finals of the St F X tournament. The girls played with a lot of heart and team spirit throughout the season, scoring some picture-perfect goals along the way. They qualified for their third consecutive OFSAA tournament.

# Junior Varsity Girls' Soccer

The Junior Varsity Girls' Soccer Team had a great season; full of hard work, laughter and cheers. What the girls lacked in experience they made up for in spirit. It was a great development season for the team with amazing strides made each game towards improving as a team. From the Spanish Triangle to the shot blocking of our defenders, the girls learned to attack the ball and be confident in their positions. From beginning to end, we were the most improved team in the league. The coaches recognize the commitment each of the ladies made to the team and thank them for an amazing season of camaraderie.

# Rowing

This is a group photograph of the rowing team with rivals from Glebe High School. We have competed with them since 1923.

Another fine year of Rowing at Ashbury. Over 35 novices got to experience our elegant sport. In the Fall, we successfully competed at the Head of the Rideau holding our own against club and University crews. Our young crew is looked forward to an excellent day of racing at the City of Ottawa Regatta.

The Ashbury Junior Girls volleyball team had a very successful season, finishing third in the East Tier 1 division. It was a long season for the team, with practices starting early in November. This allowed the girls to significantly improve their skills, enjoy team lunches and time together as a group. We set the pace for the season, with an outstanding weekend at the Colonel By tournament, taking the bronze medal, having only lost one game. The team started out with four returning players, and only a handful of others who had actually played on a volleyball team before. Everyone on the team will agree that through our hard work, and the exceptional leadership of our experienced coach Mr. Miedema, and his assistant coach Ms. Sproule, each of the girls has become a very skilled, and valuable volleyball player.

For the first time in several years, Ashbury participated in a Junior boys volleyball program, starting in the Tier 2 division, and 10 boys stepped up to the challenge. While the skill levels of the players varied, with a few practices under their belt and a lot of enthusiasm, they were quickly successful in the first few games of the season. And while the competition in the league quickly became more intense, and the victories became fewer, the team learned the key lesson of playing "their" game; the best results came when they were able to focus on their performance, and not that of the other team. Congratulations to all the players this season for their hard work, real skills development and performance. And a very heartfelt thank you to the coaching staff which included Nick Allen, Julia E, and Ms. Sproule. With the talent and enthusiasm shown, it is hoped that the program will continue next year.

# Baseball

This is the biggest year for the program with 33 players on the team at the beginning of the season. The team had a slow start, falling to 0-3 on the year, before winning 3 straight games to earn a spot in the playoffs. We would like to thank Faye, Jacques and Ross for all their help in driving us to games.

The United Nations keeps an eye on the world and the Ashbury Model UN keeps an eye on the UN. We monitor world wide events and debate sample UN resolutions. We have debated resolutions and issues ranging from Afghanistan to climate change to piracy. There were two MUN trips, one to the Trent University high school MUN, with Julia Fuss, Emily McElhinney-Choma and Alex Whittaker participating; the second to Toronto to attend SOMA, with Adil Abdulla, Sepand Alavifard, Alex Cohen, Charlotte Connolly, and Emily McElhinney-Choma participating. At SOMA, Adil Abdulla and Sepand Alavifard, who represented Ecuador, won awards for their expert diplomacy in shepherding a resolution on preventing deforestation and desertification through the General Assembly.

## Green Club

This has been a groundbreaking year for the Green Club. We hosted a very enjoyable Earth Week complete with a well-received Walk-to-School Day, Chapel presentations through-out the week, and Earth Hour. The club also pushed for a very memorable Meatless lunch during the week, which was graciously supported by Ms. McGeein and her Sodexo staff. The Meatless lunch movement is in support of a "Meatless Monday" campaign that the club hopes to have in place for the beginning of the school year in September. Sweater Day, Bake-sales and encouraging the conservation of energy were just a few of the other initiatives we took on this year. The club would also like to highlight of our first "Green Wall" which hangs in room 109, our sincerest thank you to Mr. Fuss for his beautiful workmanship and donation. E Foody, Kmart and the other grade 12's wish you well next year as you host the meetings on the finished Green Roof. Thank you to Mr. Greig, and thank you for a spectacular year!

Public speakers enjoyed a busy and fruitful year. In the fall, Michael Kourlas, Zach Healy and Katherine Hales drove to beautiful Deerfield Academy in Massachusetts for the International Independent School Public Speaking Competition. They competed well, and enjoyed spending time on the stunning Deerfield campus. The trip was particularly significant because Ashbury was to host the same event the following fall, so there were lots of questions to ask and information to gather. The main spring event was the annual Nora McCrae Public Speaking Competition at Branksome in Toronto. Adil Abdulla, Michael Kourlas, and Alex Cohen more than held their own in the senior division with Michael winning a trophy for his after dinner speech on ways that thieves can avoid anti-theft technology.

Debaters had a successful year at both the Senior School and Junior School level. John Venner and Sasha Stojanovic competed at the Junior Nationals in Calgary with top results, and Braden McDonald and Adil Abdulla represented Ontario at the Canadian Nationals in Victoria. We were happy to host the Bal Masque during the Provincial Championships and had the debate team from St. John's Ravenscourt join us for a day of debating and public speaking. We competed at Trinity College School, Carleton University, McGill University and at all three Fulford League events, with a second place finish in the year's standing at the Fulford. Alex Cohen and Michael Kourlas (grades 9 and 10) were in the top five team group at McGill and John Venner (grade 9) clinched the third place spot and won a citation for Ashbury at the Fulford. Nick Allen (grade 11) demonstrated impressive expertise in the debate on the abolition of handguns and Salena Cui and Katherine Hales were a dynamic team in the impromptu rounds. Ping Lu and Bessie Zhang were among several new debaters this year and competed in the Regionals. Braden McDonald was the student leader this year, and for next year, Michael Kourlas and Alex Cohen will hold that position of responsibility. Once again the annual debate BBQ provided an opportunity to reminisce and plan ahead. Braden McDonald was inducted into the Debate Hall of Fame, and we congratulated debate grads Eric Huang, who emailed us from China, Reba Wilson, Katherine Hales, and Eric Higgins.

## Mr. Pelletier

During the last 28 years, M. Pelletier has organized one French play, six fashion shows and more than 50 coffeehouses. He served as Department Head for six years and as Advisor to the Student Council for 12 years.

Some of the highlights of his teaching career include taking two students, Jean-Sébastien Blanchette and Myriam Beaudoin, to the provincial French as a First language competition in Sudbury. They performed well, yet M. Pelletier's influence had a much longer lasting effect on them. Jean-Sébastien, while at university, used his Ashbury French class notes to write an essay on Voltaire. This essay won him an award for best freshman essay at Yale that year. Myriam Beaudoin, today a francophone author and an educator, has published three novels and several short stories.

Grand amateur de musique, de chocolat, de vin, de philosophie, de théâtre et surtout du MOT. Son style est inimitable...malgré que plusieurs aient essayé! Il su, sans prétensions et avec intelligence, incorporer ses passions dans son grande passion de 28 ans, celle d'allumer les esprits de ses élèves.

En que la méthode PAF eusse bien fonctionné chez certains élèves, il a décidé plutôt de les charmer tous avec l'intensité des émotions et la beauté des mots dans les textes qu'il a choisis à leur intention.

De plus, ses élèves ont toujours ressenti son intérêt sincère dans ce qui les passionnaient et dans leur besoin de voir les choses. C'est pourquoi ils ont partagé avec lui, dès les premières années, leurs musiques préférées, leurs passions et leur amitié.

Thank you for your intensity!

## Mrs. Duschinsky

Mrs. Duschinsky has taught IB World History, Canadian history, Philosophy and German over her 12 years at Ashbury. Mrs. Duschinsky had an interesting international teaching career prior to joining Ashbury. She was teaching at the International School in Budapest during the fall of communism and she helped launch the IB program as Head of Social Studies the same year. She has been a leader of the Model UN Club and supportive of internationalism and languages at Ashbury. Her students and colleagues have tremendous respect for her detailed knowledge of world history and her kindness, patience and constant optimism and encouragement. Thank you and best wishes in your retirement.

# THE YEARBOOK TEAM

The theme we chose for this year's yearbook is "Building Community at Ashbury". With the opening of the new boy's dormitory and the school looking forward to accepting girls in the junior school next year, Ashbury is growing as a community and we are becoming more united as proud Ashburians. From the musical production to our successful sports teams to International Day to various interhouse events, this past year has been fantastic, and the yearbook team tried their best to illustrate this memorable year on the pages of the book you are holding now. Thanks to our talented photographers Patrick Norton, Athan Lau, Maggie Zhu, Anusha Kalaichevian and other numerous contributors, we were able to show through colourful images how we are uniting as a community. Another big thanks goes to the team consisting of SangHa Park, Alex Fletcher, Myriam Choma, Katherine Festeryga, John Szlazak, and Roope Piipponen, who overcame the challenges of using a brand new program to create such pleasant and creative pages. And of course, to the wonderful teachers Mrs. Rust, Ms. Wright, and Ms. Doleman, thank you for the continuous support and input. This year has been truly unforgettable, and we hope this yearbook will become a valuable memorabilia for all of you.

# Camp Otterdale

Games, hikes, campfires, drama night ... these are just some of the activities that the grade seven classes enjoy at Camp Otterdale. The three-day stay takes place the week after school begins, and allows the boys to get to know each other and their teachers. This year, good weather prevailed and many new friendships were forged once again.

"At camp, we were either having fun or sleeping. We learned some new skills and got to know each other!"  
Mathieu Tuli, 7P

"Going to Camp Otterdale helped me meet new friends. By the time it was over, I knew almost everyone!" Omar Khan 7P

# La ville de Québec

En septembre 2009, les 8<sup>ème</sup> année sont partis pour la traditionnelle visite de la ville de Québec. Le groupe a visité le Musée de l'Artillerie, la Citadelle, et les Plaines d'Abraham. Les élèves ont eu un cours sur l'histoire de la ville de Québec qui fut découverte par les français et cédée aux Britanniques. Ils ont adoré manipuler des faux fusils et apprendre comment les recharger. Ils ont aussi visité une cabane à sucre où ils ont appris

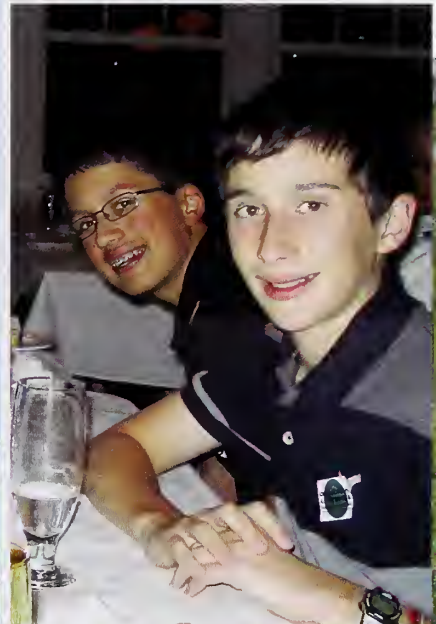

comment on fait du sirop d'érable. Les élèves ont aussi visité un village Huron et découvert leur culture et leurs traditions. De plus, le groupe ne pouvait partir sans avoir fait une visite de la ville...la nuit ; la marche fantôme fut appréciée de tous ! Après les vues spectaculaires des Chutes Montmorency, le voyage s'est terminé par la visite du Parlement où les élèves ont découvert la vie quotidienne des politiciens.

"The trip was very exciting. We learned a lot of fun and interesting facts. We even got to role play some activities. -Sasha Stojanovic, 8B

"This trip was a really good experience. I learned a lot of French and saw many interesting things.  
Alexander Johns, 8S

# Pumpkin Run

If it's October, it's time to start running in the Junior School. The Grades 4, 5 and 6 classes participated in the Pumpkin Run, and held their ground against students from other Ottawa independent schools. The entire Junior School had a gorgeous sunny day for the annual United Way Run. Students raised pledges to support non-profit organizations in our community and ran distances of 2.5km and 4km.

"It was hard running that distance but I felt proud when I finished it!"  
André Delattre, 4B

# United Way Run

"I've participated in the Junior School United Way Run for five years straight. I was pretty happy to come first this year!" Andrew Abou-Assaly, 8S

# Soccer

Ashbury soccer teams enjoyed another most successful season. Our U-10's fielded two teams in the OISAA indoor tournament. Our U-12's hosted LCC and travelled to Montreal for the annual LCC U-12 tournament. Our U-12's also competed in the OISAA indoor tournament, completing the day undefeated.

Our 7 - 8 teams participated in OISAA fixtures. The Development squad hosted several games. The U-13 made great strides playing in the OISAA U-14 league. Our U-14's repeated as League Champions. In all, over 100 Ashbury students pulled on a school jersey this season - a great effort by all the boys!

"Even though we lost this tournament, it was really fun playing in the rain.  
-Jack MacMillan, 6D

# Halloween

"Halloween can be pretty scary in the Junior School at Ashbury College! Muwahahaha!"

"Carving pumpkins  
in Art was fun... but  
a little gross!"  
Jonathan Ho, 4B

# Green Living

If the Environmental Club had to choose a theme this year, it would be gardening. With the help of Mr. Ian Walker from Mariposa Farm, we created three gardens: a flower garden in the JS courtyard; an organic vegetable garden; and an indoor garden with beans, narcissi, arugula and lettuce. Furthermore, we were interviewed by Ottawa radio stations and newspapers,

and we held a fundraiser at Chapters to increase awareness for our Green Roof. We hope to celebrate the completion of this innovative project in the spring of 2011. Finally, we organized a fun-filled Earth Week. Highlights included our "Awesome Auction," hikes to MacKay Lake, and our visit to Mariposa Farm.

"I really liked the environment club this year. My favourite part was going for hikes together."-Nicholas Sullivan, 4B

# St Donat

With sunny skies and beautiful skiing weather 40 grade 7 boys jumped on the bus to head up to St. Donat and hit the slopes of the Mont Garceau. Our French-Canadian culture experience gave us the opportunity to learn about les légendes québécoises and go exploring with an "enquête en ville". We were outside with la

raquette, la glissade and le ballon chinois in between runs down the slopes and cross country skiing. Monsieur Décotte got to enjoy a Canadian winter with his first taste of all things québécois and is ready for next year. C'était une expérience magnifique!

"St. Donat was the best trip of the year. The skiing was absolutely incredible there."  
Peter Nguyen, 7M

"Et hop, sans les mains  
! Aujourd'hui, c'est la  
'bunny hill' de Mont  
Garceau et bientôt les  
J.O. de Vancouver !"  
-M. Décotte, 6D

# Houses

The House system does so much to create camaraderie in the Junior School. Be it Winter Olympics, the Scavenger Hunt or just a regular Games period, House pride is strong at Ashbury College. Though there is fierce competition between the Dragons, Goblins, Hobbits and Wizards, we also join forces for events like the United Way Run. After the close finish last year, the Goblins made sure that this year they reigned victorious!

"The Stones game was fun but hard. The Wizards rock of course!" Adam Wallace, 4B

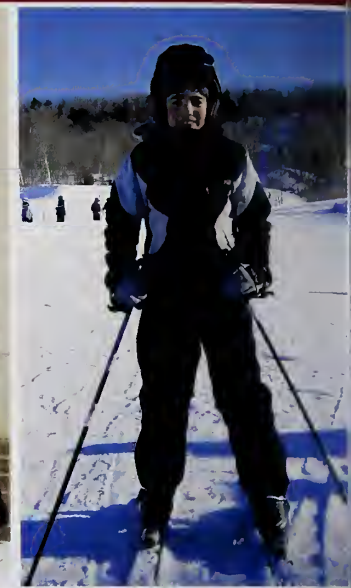

"This was a very exciting day. It was very competitive between the houses."  
Jake Gay, 6D

# Winter Scenes

"Meeting Ryan Semple, Olympic athlete and former Junior School student, was an exciting moment!"  
Ben Fong, 7M

# Spirit Week

We had a very spirited bunch of youngsters in the Junior School this February. We started off the week by wearing Olympic apparel in celebration of the Vancouver 2010 Games. The following day we headed our separate ways for skiing at Mt. Ste. Marie, tubing at Edelweiss and winter adventures at ISES. On Thursday, we showed our House pride and wore our green, yellow, red and blue. The House

Captains arranged a hugely successful game of Stones that had each boy leaping to his feet in excitement. The Wizards reigned supreme in the 7/8 match and the Goblets took the glory in the 4/5/6 match. In order to recover from this exhilarating day we had to come to school in our pyjamas on Friday. Unfortunately, we did not get pancakes at our desks but maybe that's an idea for next year?

"During Spirit Week, everyone had the chance to show how much they cared about their house."  
Cole Rechan, 7M

"The Wizards won the Stones game for grades 7 and 8. I was surprised we did it. Go Wizrds!"  
Matthew Pelletier, 8B

# Winter Olympics

Winter Olympics is traditionally a heated and exciting house competition for the Junior School. The Grades 4, 5, and 6 students competed in ice hockey, floor hockey and badminton. The Grade 7 and 8 students competed in these events in addition to ping pong and basketball. The Goblins dominated badminton for the most part at all levels. They also won the floor hockey and

basketball events at the Grade 7 and 8 level. Ping pong and ice hockey, however, were won by the Grade 7 and 8 Hobbits. The Grades 4, 5 and 6 Dragons trounced the other houses in floor hockey and the Wizards reign victorious at the ice rink. The overall champions for the year were the Goblins.

"I chose basketball for Winter Olympics because that was my winter sport. We won one game, but lost our other three.  
Max H.T., 8B

"The Wizards did well in floor hockey but then we lost against the Dragons and the Goblins."  
-Théo Rulko, 4B

# Leadership

Students in the Junior School are encouraged to seize leadership opportunities when they can, and there are so many to choose from. House Captains, hosts to visiting students, Ambassadors for Open House, speakers at Assembly, grade eight visitors to grade four,

selling daffodils for the Canadian Cancer Society... the list goes on! At our last assembly this year, Mr. Storoski asked the boys to raise their hands if they had taken on a leadership role this year, and nearly every boy raised his hand. Well done, Junior School!

"The House Captains went up to ISES overnight to practice leadership games that we would do with the Form classes."  
-Matt Orr, 8B

# Science and Technology

This year, science and technology activities were a regular occurrence in the Junior School. In the fall, the grade eights made and tested concrete boats, the grade sixes insulated eggs for the "Great Egg Drop," and the grade fives hatched butterflies. In the winter term, the grade sevens took part in the Science Symposium. In the spring, the grade sixes spent a day at Space Camp. The

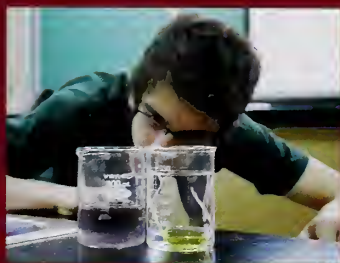

grade fours built cranes, the grade fives tested bridges and the grade sixes built drawbridges. Finally, the grade sevens built and tested Greek weapons. These are just some of the science activities the boys took part in. It is clear from these pictures that in the Junior School science and technology is truly hands-on!

"The simulators were so realistic that when I closed my eyes I felt like I was a real astronaut." Cameron Kendrick, 6D

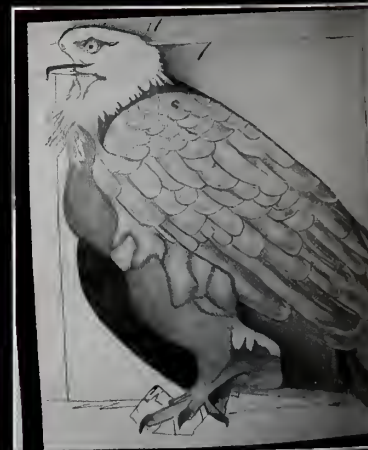

When I was young  
 I climbed a tree  
 Then I fell and scraped my knee  
 I ran inside to my mom  
 She hugged me tight and said "Be calm."  
 My mom went inside to get a bandage  
 But I stayed outside and ate my sandwich  
 When I got hurt again I sucked it up  
 Then and there I just grew up.  
 Bobby Doherty, 5H

## LOVE

Love is a very precious thing.  
It cannot be left forgotten or replaced  
For without it, the world would be dull  
There would be no happiness or joy  
No repentance or forgiveness  
Love is a thing that  
Is in all that  
Is good,  
Love.

Matthew Kourlas 7G

# Music

Music, the heartbeat of the Junior School... Green Roof Fundraiser... Tom Sawyer... Winter Concert... House Music... Music Fest... Spring Concert... Closing...

"I played the French Horn for the first time this year. It was difficult at first but after some practice, I got used to it."  
-Kohei Yoshizawa, 7P

# Speaking Out

Junior School students have many opportunities to exercise their voices in the oral tradition. Starting in Gr. 4 and continuing up to Gr. 8, all students perform a speech that they have prepared in their English classes. Finalists are then chosen for the Speech Finals which is of course a House Competition. The Gr. 7s and 8s also participate in a Poetry Reading which is an annual highlight for all. A special treat this year was the outdoor Shakespeare performance by the Gr. 8 classes.

# International Day & Earth Day

International Day was action-packed again this year. Mme. Perreault kicked off the event in chapel by showing images of Haiti before and after the earthquake last fall. A group of enthusiastic musicians played under Mr. Sikorski's direction. Students dressed in their national dress, and at lunch we enjoyed some international food prepared by the Senior School.

Later in April, we celebrated Earth Week with a variety of activities. Students were encouraged to walk, cycle or car-pool to school, and the "literless-lunch" competition ran all week. We had a "Walk to School Day" later in the week, and the Environmental Club visited Mariposa Farm and learned about sustainable living and organic farming.

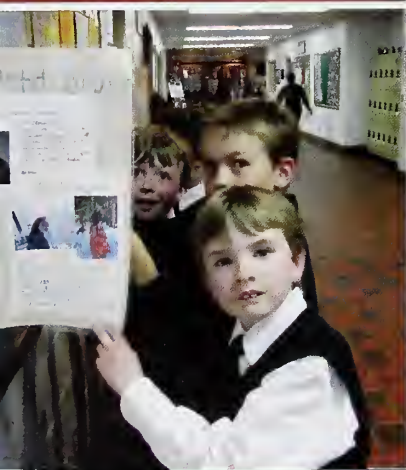

# En français, s'il vous plaît!

# Hard at Work

# Rugby

The boys in grade seven and eight look forward to playing rugby in the spring. This is a new sport for many of them, but Ms. Boyd quickly teaches them and infuses them with her passion for the sport. This year, they participated in a tournament in Toronto, which they won.

"This was my first year playing rugby. It was AWESOME!!"  
-Kyle Charron, 7M

# ISES

This year, every student in the Junior School enjoyed a visit to ISES, the International School for Earth Studies. In the fall, students hiked, canoed in the small lake, played with the huskies and viewed the many animals being rehabilitated. A winter visit allowed the students to build snow huts and venture out on showshoes or on

a dog sled. In the spring, students hiked and canoed again, and took apart some beaver dams. Through all of these activities, our students enjoy an amazing experience in the natural world, while learning how to minimize their environmental footprint. These pictures truly show how special this place is for the boys.

"There goes my arm!"  
- Marcan Delattre, 8B

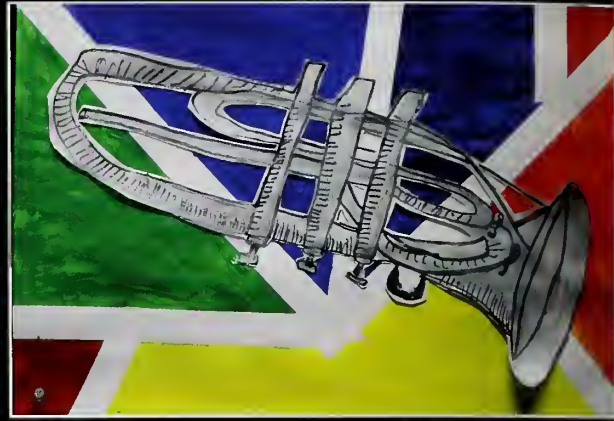

"Breaking the beaver dams was wet and cold, but it was also really fun."  
-Bobby Doherty, 5H

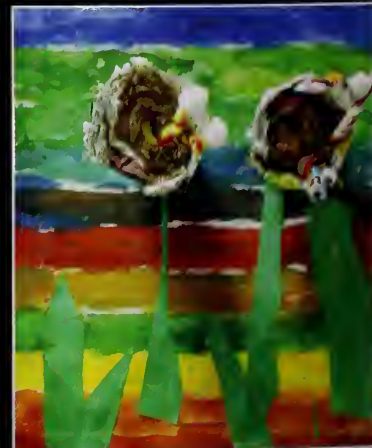

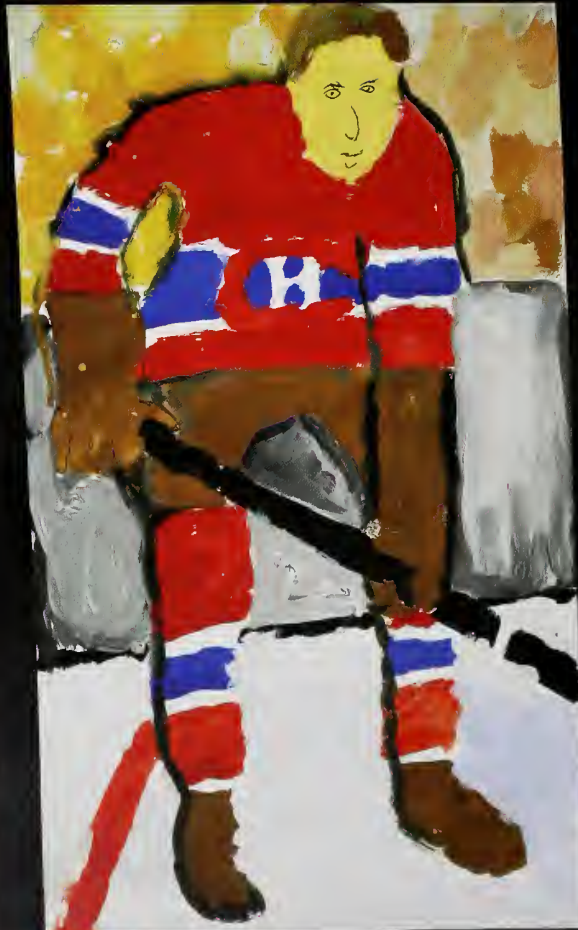

Nervousness  
 Nervousness is red  
 It looks like a hundred pairs of eyes looking your  
 way.  
 It feels sweaty but cold.  
 It sounds like an empty room.  
 It tastes raw.  
 Dang-Quan Truong 7P

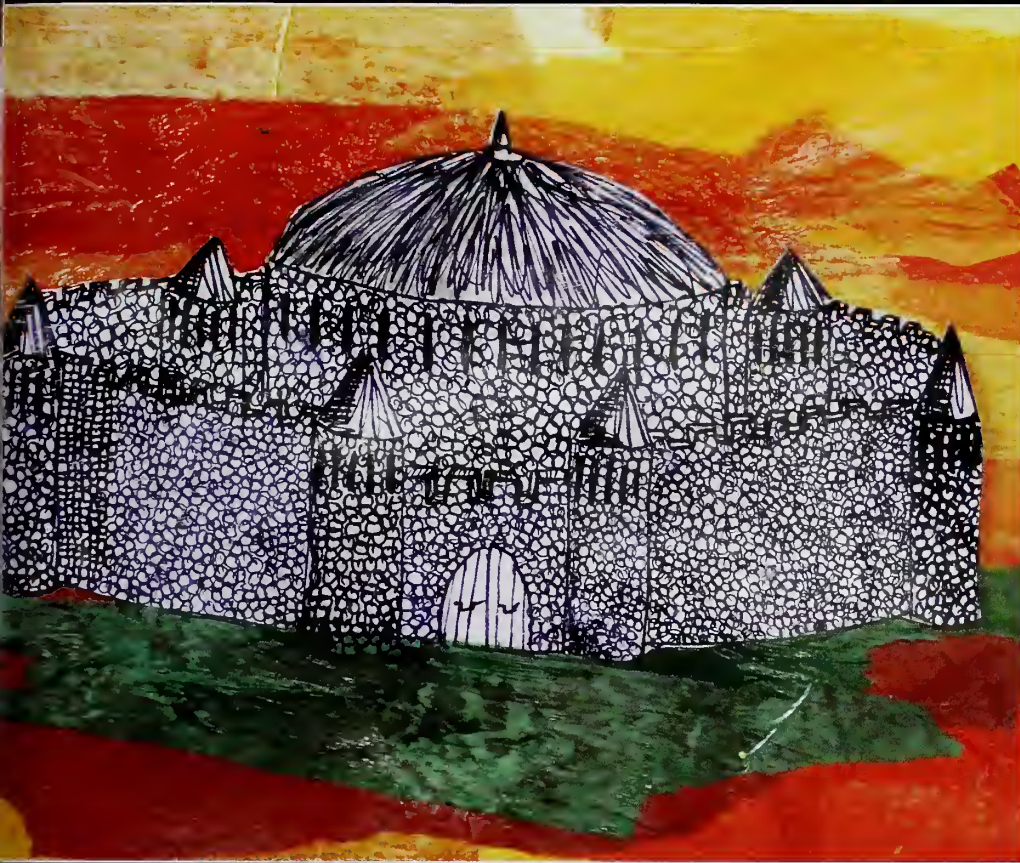

Do you think the world would  
 be great  
 If we all turned our heat down  
 to eight  
 Our homes might be cold  
 And that would be bold  
 Make leadership like this, our  
 fate

## Stop and Smell the Roses

We are told our entire lives to wait  
But never told why  
Of course we don't listen  
We go through life  
Just trying to move on  
Why wait?  
Why speed?  
When we can stop to smell the roses

Life goes by so quickly  
People going this way and that  
They can't wait for an hour,  
A minute,  
A second,  
Can they not just stop...  
And smell the roses

Life starts and life ends  
But when the curtains fall  
Will you be one to say  
I wish I had stopped...

Will Crolla 7G

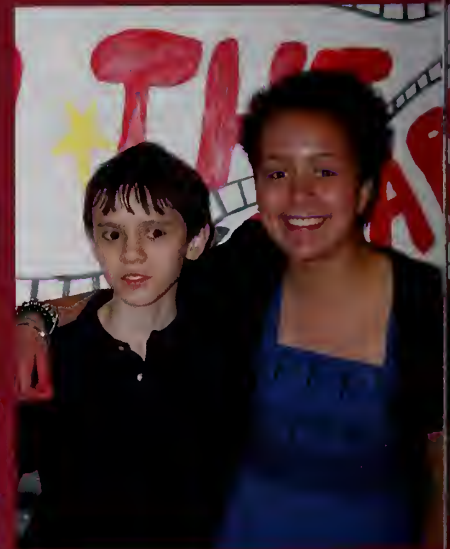

# Spring Activities

The Junior School was abuzz with activity this spring. The Grade Fours made an exciting visit to the Museum of Civilisation in Gatineau, while the Grade Sixes had the chance to interview real Norse Gods. During 4,5,6 Games, we had the annual swim meet with the Hobbits reigning victorious. In 7,8 Games there were many sunny bike rides despite the odd rained-out session.

The Chess Club once again took away the trophy at S Pat's. The Grade Sevens enjoyed a wonderful day of Ancient Greek festivities which concluded with a delicious feast. The Grade Eights relived history as we with the recreation of the Fathers of Confederation. The Grade Eights from Ashbury and Elmwood danced the night away at a Red Carpet inspired graduation dance.

"On Greek Day we competed in many Greek sports. The food was also really good." -Alexander Auster, 7G/P

# Theatre

So much drama! The boys in grade seven took to the stage twice - once with their performance of Tom Sawyer in the winter term and then with their Greek trilogy in May. We also enjoyed the grade fives performing with giant puppets in December, and their version of 1066 in the spring. The grade sixes told the

story of The Hobbit with hand-made made puppet. The grade eights wrote their own plays based on sho stories, and some of these were show-cased during our May Theatre night. This is just a small collection of the many opportunities the boys had to perform this year on stage and in the classroom.

"It was hard learning all of my lines, but my friends helped. In the end, I knew them all!"  
-Jacob Evershed, 7P

"The focus of this activity was on the preparation of our scripts so the actual performance was a bit nerve wracking."  
-Mattias Lightstone, 8P
